Healthy wishes from our family to yours

Capalbo's has come a long way since its humble beginnings over 100 years ago. Rose and Domenick Capalbo, both Italian immigrants with limited education, began the business in 1906 with just a horse, a wagon and a scale, selling hand-picked fruit door to door in New Jersey. Eventually, they opened a store in Nutley, which was a local fixture for decades. Fruit baskets were added to the product line, along with gourmet foods and then wine. These days we work out of a 40,000 square foot facility at 350 Allwood Road in Clifton, including a retail store, where we produce and ship a wide variety of gift baskets. Yet, no matter how much we have expanded, we have never forgotten the principles our founders lived by more than a century ago.
